

# Bachmann Industries, Inc.

1400 East Erie Ave, Philadelphia, Pa 19124. Phone: 215.533.1600 Fax: 215.744.4699

We are a small manufacturing model train company seeking a permanent, full time, on-site Graphic Designer. We provide a stable work environment with excellent benefits. Benefits include: fully paid medical, life, accident, and disability insurance for applicant; partially paid dental insurance; 401K Profit Share Plan; and paid vacation time.

## Responsibilities:

- Graphic design for product packaging as well as catalog layout and production
- Create print-ready graphic files using industry standard software and applications, specifically Photoshop, InDesign, and Illustrator.
- Ability to adhere to pre-designed templates, style guides, packaging systems, and strict production guidelines
- Maintain an organized server and file system; and adhere to consistent file naming standards
- Maintain strict attention to detail in all work
- Meticulously review proofs from print vendors
- Ability to work on multiple projects simultaneously while keeping all projects on the expected schedule
- Coordinate and work with other graphic designers
- Interact with various stakeholders within the company for the successful completion of graphic projects
- Ability to work overtime if necessary to meet deadlines
- Other duties as necessary and as assigned

## Requirements:

- Bachelor's degree preferred
- 2 to 5 years of graphic design experience
- Proficient with Adobe programs (specifically Photoshop, InDesign, and Illustrator)
- Knowledge of Mac operating systems is a must
- Licensing experience is a plus
- Model railroading experience is a plus
- Full time in-office requirement
